

A F R O F I T

Q 3 C A M P A I G N

This is the **place.**

The whole quarter in one place. One thread underneath every post: **it's all connected to movement.** Twelve reels, six carousels, three monthly angles, one door.

FEEL IT AGAIN · IT GETS EASIER · FIT IS SIMPLE

One thread. Three monthly **angles**. One door.

Every post names something a person feels and lands on the same three words. Each month leans on a different part of the one idea, so it stays fresh and builds.

MONTH 1 · LEAD

Feel It Again

Your body can **feel good again** — more mobile, more energy, fewer aches. You don't have to be an athlete, just move.

THE SEDENTARY, STIFF, TIRED

MONTH 2

It Gets Easier

Too stressed, too tired to go? **That is the reason to go.** Training makes the rest of life lighter.

THE BUSY AND OVERWHELMED

MONTH 3

Fit Is Simple

It was never complicated. A few moves, done right, with someone on the floor. **No screens, no gimmicks.**

THE INTIMIDATED BEGINNER

Every post ends at one door — **book your first session on WhatsApp.** No discounts, no hype.

Feel It Again

Your body can feel good again.

01

Feel Strong Again

BOOST

“Want to feel strong again?”

Strength as longevity — the grip, the stairs, the energy to keep up with your life for decades. Modelled on your best reel right now.

TEXT ON SCREEN · NO NARRATOR

SHOOT · ANY CLUB

02

More Energy

“Tired all the time?”

A simple story, no dialogue: a member arrives tired, trains, leaves lighter. The simplest piece in the set, built for the no-crew club.

SILENT · NO DIALOGUE

SHOOT · KISUMU · NO CREW

03

Sleep Better

“Sleeping badly?”

A trained body sleeps. Short and honest, a hard session and a quiet evening. One of the few with a narrator.

NARRATED · LIGHT

SHOOT · DC · CALMER

04

It’s All Connected

BOOST

“It all feels separate. It isn’t.”

The anthem. Names the problems — sleep, back, energy, mood — and pulls them into one thread: movement. Also runs as carousel C3.

THE CAMPAIGN FILM · MONTAGE

SHOOT · ALL CLUBS

It Gets **Easier**

The reason you think you can't go is the reason to go.

05 Find Your Spark

“Waiting to feel **motivated?**”

The thing people get backwards: motivation comes after you start, not before. A trainer explains it plainly.

TRAINER TO CAMERA · EXPLAINER

SHOOT · DC · EXPLAINER

06 The Aching Back

BOOST

“Back always **aching?**”

Everyday back pain is usually sitting, not damage. A trainer shows gentle, coached strengthening. Carefully framed, not medical advice.

STORY · LIGHT DIALOGUE

SHOOT · DC

07 Switch Off

“Can't switch **off?**”

The calls and messages that won't stop. The phone goes in the locker, a hard session, a real exhale. Stress leaves on the floor.

TEXT ON SCREEN · THE PHONE ANGLE

SHOOT · TRM · HIGHER ENERGY

08 For The People You Love

“Who are you really doing it **for?**”

The reason beyond the mirror — the energy and the years to be there for the people who need you. A member who trains for their family.

NARRATED + TEXT

SHOOT · ANY CLUB

Fit Is Simple

A few moves, done right, with someone on the floor.

09 Never Alone

“First day, and the room feels big?”

A new member, unsure, noticed by a trainer and welcomed in by the room. Ends in a class. You're never on the floor alone.

STORY · MUSIC SHIFT

SHOOT · TRM · THE DANCE CLASS

10 Meet The Trainer

BOOST

“When did a gym last ask about your plan?”

A trainer goes over a member's plan, every month. The real differentiator, made concrete. Walked through in carousel C5.

EXPLAINER · REAL

SHOOT · DC · THE PLAN MEETING

11 Ask The Floor

“Why does this muscle matter?”

A trainer explains a move and why that muscle matters. The authority series, modelled on your best educational reels.

TRAINER TO CAMERA · AUTHORITY SERIES

12 The Team That Moves

“A team that drags, or a team that moves?”

A corporate team trains together — clearer heads, fewer mistakes, more energy. Soft, no invented numbers.

TEXT + BENEFITS · CORPORATE

SHOOT · TRM · GROUP ENERGY

The key points, **saveable**.

Two a month, roughly. We run the key points across formats — a designed graphic and a trainer explaining the same thing — so each idea lands twice and cheaply. Half designed, half photo.

C1

Motivation Is A Myth

GRAPHIC · MONTH 2

Action first, motivation follows. The saveable behind **Find Your Spark**.

C2

Why Your Back Aches

GRAPHIC · MONTH 2

Most everyday ache is sitting, not damage. Pairs **The Aching Back**. Not medical advice.

C3

It's All Connected

GRAPHIC · MONTH 1

The thesis, saveable. Sleep, mood, energy, your back — all trace to movement. Pairs the film.

C4

Meet The Floor Trainers

IMAGE · MONTH 3

The floor trainers, a face and one real line each. Authority, and the never-alone proof.

C5

Your First Session

IMAGE · MONTH 3

The first visit, step by step. Removes the walk-in fear. Pairs **Meet The Trainer**.

C6

3 Moves For Your Back

VIDEO CAROUSEL · MONTH 2-3

A trainer demos three simple moves, one cue each. Pairs the back theme and the floor authority.

WHAT WE PUT MONEY BEHIND

Organic **tests**. Paid **scales** the winners.

We don't boost everything. Each piece proves itself organically first — watch-through, saves, shares — then spend goes behind the winner, branch-tagged, straight to WhatsApp. Four reels are built as cold-ad creatives from the start:

- 01** **Feel Strong Again.** The broadest cold hook, on the longevity angle your best reel already proved. Pure acquisition.
- 04** **It's All Connected (the film).** The thesis in one film. Brand and reach, sets up the whole quarter.
- 06** **The Aching Back.** A pain everyone with a desk feels. Hyper-relatable, and the honest framing keeps it credible.
- 10** **Meet The Trainer.** The differentiator only we can claim, highest intent. The retargeting-to-booking creative.

Each cut is scored on the virality rubric before spend, and runs to ~50 booking events per ad set before we judge it. Then we scale the winner.
